

Term dates

02/09/26 –
18/09/26

English

In the first part of the term, we will be writing our own warning stories inspired by *Escape from Pompeii*, focusing on descriptive language, atmosphere and building tension.

In the second half, we will be developing our non fiction writing through creating our own Ufton Court leaflets and writing non chronological reports about Ancient Greece.

Science

During this term, we will be learning about sound. We will explore how sounds are made through vibrations and investigate how sounds travel. Children will investigate how the volume and pitch of sounds can be changed and explore how sound travels through different materials.

History and Geography

History

We will learn about Ancient Greece to see how people lived and how it still affects us today. We will explore city-states like Athens and Sparta, key events, famous figures, and achievements such as democracy, theatre, language, and the Olympic Games.

Year 4

Autumn Term

Maths

In Maths this term, children will be consolidating their learning and developing their understanding of:

- Key mathematical skills
- Fractions
- Ratio
- Measurement

Art and DT

This term the children will be designing their own Ancient Greek pots based on the ones we look at in our history topic. During the second half of the term, we will be focusing on Food Technology for DT week.

PSHE

This term, the children will be focusing on **being responsible** and **Zones of Regulation**. We will explore how to make responsible choices, understand the impact of our actions, manage our emotions and develop strategies to regulate our feelings and behaviour.

RE

This term, we will be exploring how reading sacred texts can help people understand the beliefs and values of others. We will also learn about Pentecost and the difference it makes to Christians, as well as exploring where ideas about right and wrong come from for Christians.

Music

This term, we will be starting our percussion lessons, learning about a range of instruments.

Computing

This term, pupils will use **Scratch** to develop their coding skills by creating and drawing shapes. They will also explore **podcasting**, creating their own reports about their residential trip to Ufton Court.

Homework

Weekly Spelling activity
Maths consolidation activity

PE

Through **Gymnastics, Indoor Athletics and Tag Rugby**, children will develop their movement, coordination, balance, running, jumping and throwing skills. They will learn to perform gymnastic sequences with control and accuracy, develop their speed and agility through athletics, and apply attacking and defending skills in tag rugby. Children will also develop teamwork, communication and an understanding of rules and fair play.
